Congratulations, you are now a family member in the largest and best charter elementary school in the state of New Mexico. Horizon Academy West is a unique school where we hope that you and your family will find their perfect fit.

Each student at Horizon Academy West is considered a special part of our school family. Their education will be catered especially to their specific needs. All of our teachers at Horizon Academy West are highly qualified and you are welcome to ask for our faculty qualifications at any time. Your child will be given the occasion to excel beyond their grade level if warranted and given extra help when needed.

Horizon Academy West's staff members and teachers are committed to educational excellence and in creating a public school that is tailored to each child so that they may shine and feel as if they are always given an opportunity to be successful.

Welcome again to our wonderful school. Please take time to explore our campus, meet our staff members and get to know who we are.
