

Dear Horizon Academy West Families,

On behalf of the entire faculty here at Horizon Academy West, I would like to give each of you a warm welcome. I am pleased to say that we have a wonderful community that is comprised of staff, students, and their families. It is through our combined efforts that we have attained a high level of academic achievement and continued growth.

As always, it is our goal to improve student achievement by providing a rigorous curriculum and attendance policy. To ensure the success of each student, we analyze all student data regularly and monitor daily performance in their classrooms. In addition we will continue to implement our highly successful truancy policy in order to support all students' individual needs.

I would like to thank our parents ahead of time for your support. Our school prides itself on building a strong community, and it is important that our students know that we are all working together for their benefit. You will receive regular notices from your child's instructor informing you about classroom activities. Also, please check out our website at www.hawest.net. Our website includes a monthly newsletter "News on the Horizon," this news letter will keep you up-to-date on important events such as family nights, assemblies, PTO meetings, Governing Council meetings, etc...

As always, if you have any questions or concerns, you may contact us by calling the front office. I am anxious to meet with you and trust that together we can continue to make Horizon Academy West a class above the rest!

Sincerely,

Cynthia Carter ~ Principal
