80th Day of School

On December 1st, it will be our 80th day of school. We have decided to celebrate the 80th day by having a 1980's day. Students are encouraged to wear an outfit from that era. Let's show our school spirit and participate in 80's day.

Just A Reminder

- If you would like to bring a treat for your child's classroom please get the ok from your child's teacher first.
- All parent volunteers must have a cleared background before volunteering in your child's classroom or chaperoning a field trip.
- As the weather starts to change please make sure you dress your child in layers and they are still in dress code.
- When dropping off or picking up your child please follow the flow of traffic. DO NOT drive in between cars or drop your child off in the street. Please be respectful to our teachers on duty and our security officers. Remember children learn from our example.

Lost and Found

The lost and found is filling up quickly. **All unclaimed items will be donated on December 5th.** Please have your child check the lost and found if they have lost a jacket, sweater or lunch box. Parents, you may come in and check as well but please check in with the front office first.

Attendance Line

When calling in to report an absence please use extension 216.
