### Just A Reminder

Students will **NOT** be able to be called out of class during testing time for any reason.

- Discuss the tests with your child. Make sure s/he is not scared or anxious going into the new tests.
- Explain to your child that the tests will initially be more challenging. Tell your child to do his/her best on the test and you are there to encourage every step of the way.
- Make sure your child gets a good night's sleep and nutritious breakfast before a test.
- **Make sure your child is ON TIME and ATTENDS school EVERY day during testing.** If your child arrives once the test has started, they will have to take it during a make-up session.

Above all, be positive and encouraging about the tests.
