*Students will **NOT** be able to be called out of class during testing time for any reason.*

- *Discuss the tests with your child. Make sure s/he is not scared or anxious going into the new tests.*
- *Explain to your child that the tests will initially be more challenging. Tell your child to do his/her best on the test and you are there to encourage every step of the way.*
- *Make sure your child gets a good night's sleep and nutritious breakfast before a test.*
- ***Make sure your child is ON TIME and ATTENDS school EVERY day during testing. If your child arrives once the test has started, they will have to take it during a make-up session.***
