# Houston Independent School District needs our help!

Students were supposed to start their first day of school this week in Houston, Texas and surrounding areas. Unfortunately, Hurricane Harvey changed that and schools have been delayed another week. 30,000 people have been displaced from their homes and are seeking shelter. Meanwhile, children's school supplies and books have been damaged due to flooding. Here at Horizon Academy West, we are asking you for donations. Please send your child with any of the following to be donated:

Gently used books  
Pencils  
Notebooks  
Folders  
Crayons  
Markers

Or anything else you can think of to make this transition to a new school year easier for the students affected by Hurricane Harvey. Together we can help these students start the new school year with one less thing to worry about.

Thank You!
