Allergy Season

As we are entering into allergy season many of us are beginning to have symptoms of a runny nose, itchy watery eyes, sneezing and much more. If your child suffers from seasonal allergies and has medication that needs to be taken during school hours please feel free to contact me for the necessary paperwork and information. We want to ensure that allergies do not affect your child's school day.

If you have a child in Kindergarten, First, or Second grade please fill out the NMTEACH Spring Parent Survey. It is a required measure for the NMTEACH Effectiveness System (EES) Teacher Evaluation. Each survey consists of ten questions aligned to the NMTEACH EES Observation Rubric. Surveys are delivered in an online environment to districts and charter schools and are completed and submitted electronically. Surveys for students in 3-5th grade are completed by students for their individual teacher. These surveys are completed during school hours in our computer lab. Student surveys for students in K-2 are completed by their parents. All surveys are anonymous and confidential. Please log into the following URL address to complete the survey: <https://voicnm.org/survey/parent/80387f8c41dcf941>. Once you are on the site, select the teacher and grade. It would also be very helpful if you would take the extra time to complete surveys for our Art Teacher – Ms. Whatley and PE Teacher – Mr. Gutierrez.
