## **The Nurses Corner**

Parents/Guardians,

As we continue to try to navigate this very different time filled with multiple challenges, it is extremely important we stay in tune with our children. Keeping our children healthy physically, mentally and emotionally is our priority.

As we are going into flu season as well as trying to flatten the curve with Covid-19 let's remember to teach our children to always cover your cough and sneeze. Wash hands frequently or use hand sanitizer if soap and water is unavailable. Avoid touching your eyes, nose and mouth, wear your masks when in public or around people not in your immediate household. Most importantly stay home if you are sick. Symptoms such as fever, cough, headache, chills, shortness of breath, nausea, vomiting or diarrhea require you to stay home. Always seek medical care as needed.

Stay healthy, happy and safe!

Ms. Jolene

## **Conference Week**

Please remember there will be no remote or onsite school on November 11-12, 2020 due to virtual parent teacher conferences. Please make sure you have signed up with your child's teacher(s). There will be no live zooms on Monday/Tuesday next week in order for students to catch up on online practice items and for teachers to prepare for conferences. They will be available through office hours. We are excited to share your children's progress and to hear from our families.
